June 29, 1951

STATOTHR

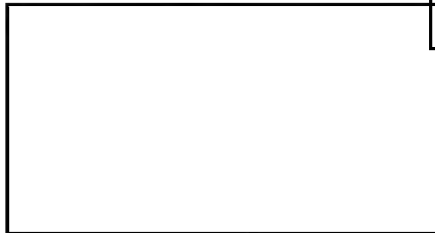

This will acknowledge your telephone call of this week, and your registered letter of June 18, 1951, concerning the New Jersey accident.

I have taken steps to arrange a settlement of the damages resulting from the accident. It is impossible, however, to complete the arrangements immediately. I shall inform you as soon as possible, probably within ten days, of my progress.

Very truly yours,

STATINTL
